

Dear Members of the Real Property, Probate and Trust Law Section,

The following is a letter of support from each of us on behalf of Scott Westheimer, candidate for Florida Bar President-Elect. We are supporting Scott as individuals, as such, this is not a RPPTL Section endorsement.

We carefully consider who to endorse which is why we believe Scott, who has worked closely with our section as Board Liaison, is the best, most-qualified candidate to lead us after two-plus years of living with a pandemic.

He has served on the Florida Bar Board of Governors since 2013 and has a proven track record of embracing innovation, leading collaboratively, and making sure all attorneys are represented. In fact, Scott developed and led the teams that rebuilt and rebranded the Bar website and created LegalFuel.com. This popular tool has transformed how many attorneys practice through free practice management and technology tools and resources. He also developed a support hotline, so members have tech support.

Scott Westheimer is the most qualified and experienced candidate to lead The Florida Bar as President-Elect and President.

Scott's been endorsed by more than 1,100 attorneys statewide. Visit ElectWestheimer.com to see why he is the best choice to lead The Florida Bar. You can also share, like, or follow Scott's social media pages to keep up as he continues his campaign. [Facebook](#), [Twitter](#), [LinkedIn](#) and [Instagram](#).

You will receive an electronic ballot on March 1st and a paper ballot during the first week in March (if you did not opt to receive only the electronic ballot). Vote for Scott and encourage your colleagues to do the same.

Thank you for your considerations and support of Scott,
